CAPABILITY STATEMENT: AKEA DESIGN, INC.

AKEA Design, Inc. is a verified Service-Disabled Veteran-Owned Small Business offering all disciplines of architectural and engineering services, drafting services, and interior design services. We have a full staff of architects and engineers who work closely with our construction team to bring quality architectural and engineering and design-build projects to completion on time and under budget.

We offer a full complement of Revit and AutoCAD design services. We can provide 2D and 3D models of facilities, as well as ALTA surveys, LIDAR point cloud scanning, photography, and field measurements. We also have the capability to print a full 3D model from the Revit file.

AKEA Design, Inc. offers a full range of in-house architecture and engineering services including:

- Mechanical
- Fire/Life Safety
- Civil
- Plumbing/Piping
- Electrical
- Architectural
- Sustainable Design
- Specialized Services (Utility Master Planning, Building Information Modeling [BIM], REVIT)

AKEA Design, Inc. would be happy to discuss our capabilities with you to provide the most cost-effective solutions to your most pressing problems.
